Online Installation Free**For all models****by Phone / Video call entire Worldwide****Return Policy**

If by any chance any customer is not Happy/Satisfied, we will take back our Instrument and refund you the amount within 30 days from the date of Invoice provided after we receive the Instrument in Original, Safe Packing with all Standard Accessories. Our main purpose is to further boost your confidence in our products so that you confidently supply all products to your customers.

Giving guarantee in all products including Spares, Consumables, Perishable & Fragile items itself show how confident we are in our product range.

Guarantee - 24 Months

We Guarantee the Instrument against manufacturing defects as per terms, 24 months from date of Invoice, at our service center Chennai

Guarantee also Cover for Replacement of Adaptor, Battery, Display, PCB etc. (We repair / replace required spare parts except Instrument outer body)

13 Months Guarantee

For consumable & perishable items like pH ION / DO Conductivity / D2 Lamp, Titanium Probe & Ion Selective Electrodes. (Option D,A,B) except Liquid Standard Solutions. If out of station engineer visit is required at customer's place, charges will be extra even in guarantee period also.

No warranty & No Guarantee for Option E, It's for Export only.

No guarantee/warranty will be applicable in case of any natural disasters, mishandling or opening of Instrument by any unauthorized person.
